

## Web Integration Module

- ❖ Web Based Calendar Display
- ❖ Online Booking Requests
- ❖ Online Resource Requests (A/V, Setup, Catering)
- ❖ Search By Multiple Criteria
- ❖ Import Data – EventPro/EPWeb Collaboration

The screenshot displays the EPWeb interface for 'Your Company Name'. The header includes the company logo 'Y C L' and the website URL 'www.your-company-website.com'. A left sidebar contains navigation buttons: Bookings, Find, Available, New Booking, New Contact, and Logout. The main content area features a calendar for September 2006, with the 18th selected. A 'Location Group' dropdown is set to 'MAIN', and a 'Refresh' button is present. A legend on the right defines booking statuses: CONFIRMED (cyan), FIRST HOLD (yellow), SECOND HOLD (green), THIRD HOLD (dark green), RES:LOCATION (red), and RES:GLOBAL (dark red). Below the calendar is a 'Day' view grid showing resource availability for various rooms from 12:00 am to 11:00 pm. The grid shows bookings for the Navy Ball Room, Palace Room, The Royal Ballroom, and The Bayview Room.

	12: am	1: am	2: am	3: am	4: am	5: am	6: am	7: am	8: am	9: am	10: am	11: am	12: pm	1: pm	2: pm	3: pm	4: pm	5: pm	6: pm	7: pm	8: pm	9: pm	10: pm	11: pm

## Features and Benefits

- **Optional “Password” Control to provide limited access if desired or to identify users. Save time for your users!**
- **Graphical Calendar displays event by location group AND location, offering the clearest possible picture.**
- **Day, Month or Year Views. Let the user choose the booking display grid they want.**
- **Easy to use Booking “Wizard” takes the requester through a step by step process ensuring they get what they want.**

The screenshot shows a web interface for creating a new booking. The header includes the company logo 'Y C L Your Company Logo' and the company name 'Your Company Name' with the website 'www.your-company-website.com'. A left sidebar contains navigation buttons: Bookings, Find, Available, New Booking (highlighted), New Contact, and Logout. The main content area is titled 'New Booking' and is divided into sections: 'Client Information' (Company: Your Company, Contact: Richard Thorne, Email: richard@eventpro.net), 'Event Information' (Event Name: Share Holders' Banquet, Notes: No Peanut products b/c of allergies, Attendance: 250, Category: BANQUETS, Subcategory: DANCE), and 'Comments' (Event Comments: Ice water on tables. Company Colors: blue/green - decorate to match.). At the bottom are 'Back', 'Next', and 'Cancel' buttons. The footer states 'Powered by www.EventPro.net'.

- **Setup and Catering Selection allows the user to complete the space request with any A/V, Setup and Catering needs.**
- **EventPro Import Function allows the main database to be updated so that no additional data entry is required. Save time – reduce errors.**

- **Power “Find” Feature helps the user locate events by event category, date range and location. Precise and fast.**

- **“Find Available Space” Function lets users search by date range, time and required capacity. Get the best fit quickly and easily.**
